<b>034/20</b>	<b>CO-OPTION OF NEW COUNCILLORS</b> There are currently three vacancies for Parish Councillors. The vacancies had been advertised throughout the Parish and TDC Electoral Services notified. Following the statutory notice period, TDC confirmed that they had not received a request to fill the vacancies by election and that the Parish Council was now authorised to fill the vacancies by co-option. Notifications had been received from Ms Sarah Oxenham and Mr Paul Jervis, declaring an interest in filling the Parish Councillor vacancies.  It was unanimously agreed that Ms Sarah Oxenham of Primrose Bank, Riddon Lane, Ideford TQ13 0BG and Mr Paul Jervis of Old Barn, Town Farm Lane, Ideford TQ13 0AZ be co-opted to fill the vacancies. Both read and signed the declaration of acceptance of office and signatures on the documents were witnessed by the Parish Clerk.  The Chairman welcomed Cllr S Oxenham and Cllr P Jervis to the Parish Council and requested that they now join the rest of the Council members for the remainder of the meeting.
<b>035/20</b>	<b>MINUTES OF THE LAST MEETING</b> It was proposed by Cllr A Carter-Woodwork, seconded by Cllr H Bellamy and agreed by all that the minutes of the meeting held on 9 <sup>th</sup> July 2020 be signed as a true and accurate record.
<b>036/20</b>	<b>DECLARATION OF INTERESTS</b> There were no declarations of interest.
<b>037/20</b>	<b>REPORTS</b> <b>County Councillor Ron Peart</b> Dawlish sea wall update All 144 recurve panels are now on top of the sea wall and Network Rail are installing the panels between the railway and the footpath to make it safe. All heavy engineering work will cease for the school summer holidays so with work being substantially complete the wall and beach will reopen for the public use from Friday 24 <sup>th</sup> July. Network Rail will start work again in September to finish off project laying a new top path for pedestrians' walkway and installing benches and lighting. School attendance In Devon attendance of all schools 22% against national average of 16.9%. Primary schools in Devon 33% against national average of 26% Secondary schools in Devon 8% against national average of 5% Special schools in Devon 22% against national average of 20% At the DCC meeting on Thursday 23 <sup>rd</sup> July it was agreed that Town and Parish councils across Devon should be supported in providing the popular flashing or vehicle activated speed awareness signs in their communities. We call for a simpler system by giving our local Highways Officers the authority to agree the number and location of the vehicle activated speed awareness signs with Parish and Town Councils. This will now be reviewed as part of the work of the Traffic Speed Project Group. <b>District Councillor Beryl Austin</b> Government has announced new proposals to streamline and modernise the planning system. Consultation is invited until the end of October. The intention is to speed up and improve the present legislation. District continues to meet visually during August and there are no plans at present to revert to normal council procedures. Kingsteignton Town Council will be commemorating VJ 75 day at The Fountain on 15 <sup>th</sup> August.

	<p>Teignbridge are considering at present reducing the number of members on the Planning Committee. I am hoping to be able to represent our ward when decisions are made later.</p> <p>Not very much to report at this time. Senior staff continue to work according to policies during the absence of Councillors, but naturally one does not feel as involved as one would hope!</p>
038/20	<p><b>PARISH MATTERS</b></p> <p><b>038.1 Website</b> – The Clerk agreed to take on the role of managing the parish website.</p> <p><b>038.2 New Councillors Courses</b> – Clerk to find out if face-to-face training is possible.</p> <p><b>038.3 Meeting Date</b> – After discussion it was decided to keep to the present meeting date of the second Thursday in the month.</p>

040/20	<p><b>PLANNING</b></p> <p><b>040.1</b> Consideration was given to the following planning application: 20/01018/FUL – Little Haven, Higher Sandygate Change of use of agricultural land to boat storage (Use Class B8), siting of 14 shipping containers, a portable office and garage The Parish Council are concerned that the amount of shipping containers seems excessive (including office and garage), which would generate a huge amount of traffic on a road not designed to cope with this; and cause stress to both the environment and nearby residences.</p> <p><b>040.2</b> To note planning decision: 20/01079/HOU – Orchard Lodge, Ideford Loft conversion including insertion of 7 roof lights and first floor inset balcony Grant of Conditional Planning Permission</p> <p><b>040.3</b> Planning Enforcement 19/01701/FUL – Higher Colleybrook Farm, Ideford TDC Enforcement said that the concerns raised by both the Parish Council and objectors to the application were taken into account when determining this application. With regards to an over-development of the site, Condition 4 of application requires that prior to the first use of the new building, the existing agricultural building on the site shall be permanently removed. As such, given this condition, it is considered that the proposal would not constitute an overdevelopment of the site. The Parish Council responded to this comment by saying that there was not an agricultural building on site at all, prior to this application.</p> <p>19/02077/FUL – Higher Colleybrook Farm, Ideford After requesting a meeting with Enforcement, the Parish Council were informed that as they have already met with residents, a meeting with the Parish Council was not needed. 062/20	<p><b>PLANNING</b></p> <p><b>062.1</b> To consider planning applications:</p> <p>20/01627/HOU – Orchard Lodge, Ideford</p> <p>Retrospective application for single storey office outbuilding in grounds</p> <p>The parish council object to this application.</p> <p>The application states 'office building,' but the building comprises bedroom, lounge/kitchen, shower, and toilet. As the building is too close to the boundary and higher than the boundary fence, it is very noticeable. The application states that the property is adjacent to an unadopted lane, but this is not the case as the lane is owned by Lower Colleybrook Farm. The application also makes no mention of sewage provision: where is the wastewater going? There is a small water butt connected to the guttering, which is insufficient, as there appears to be no provision for overflow. This building is already being occupied and a video showing the interior of the building can be viewed on Facebook. This building sets a precedent to others to breach planning regulations.</p> <p><b>062.2</b> To note planning decisions:</p> <p>20/00942/VAR – Watery Lane Cottage, Olchard</p> <p>Removal of conditions 4, 5 and 6 on planning permission 09/02787/COU (Change of use of barn to create living accommodation for holiday use) to allow full residential use to allow unrestricted</p>

	<p>residential occupancy of the dwelling Grant of conditional planning permission</p> <p><b>062.3 Planning Enforcement</b> 19/02077/FUL – Higher Colleybrook, Fore Street, Ideford</p> <p>With regards to the issue of the mobile home that was recently brought to the site, planning enforcement confirm that the owner has been advised that planning permission is required. In response, it appears that the Agent is proposing to submit a certificate of lawfulness for the mobile home.</p> <p>Gary Crawford states that the most recent block plan received, dated 14 July 2020 (Drawing No.220_12 Rev.F) details that the existing stone wall adjacent to the footpath is to be taken down and rebuilt.</p>

<b>PART 1 MEETING (OPEN TO THE PUBLIC AND PRESS)</b>																													
<b>066/20</b>	<b>WELCOME AND APOLOGIES FOR ABSENCE</b> The Chair opened the meeting at 7.01pm. Apologies were received from Cllr R Peart, Cllr B Austen and Cllr S Oxenham.																												
<b>067/20</b>	<b>MINUTES OF THE LAST MEETING</b> It was proposed by Cllr D Fox, seconded by Cllr A Carter-Woodward, and agreed by all that the minutes of the meeting held on Thursday 8 <sup>th</sup> October 2020 be signed as a true and accurate record.																												
<b>068/20</b>	<b>DECLARATION OF INTERESTS</b> Cllr A Holden expressed an interest in planning application 20/01937/NPA – Hayes Farm, Ideford, as he owns a neighbouring property.																												
<b>069/20</b>	<p><b>REPORTS</b></p> <p><b>District Councillor Beryl Austen – read by the Chair</b></p> <p>Teignbridge has been awarded a grant for a further four years from the fund Turning Corners which is a partnership to reduce the risk of young people in Devon becoming involved in violence, antisocial behaviour and crime through early intervention and prevention. Since we are seeing in these difficult times an increase in youth problems this is a very welcome grant of almost 1million pounds. Teignbridge will be running a six week public consultation on a proposed change to Council Tax Reduction to be introduced on 1st April next year.</p> <p>Councillors voted in September unanimously to declare an Ecological Emergency and to accelerate the pace of work the Council is doing to protect the environment.</p> <p>Kingsteignton WI. , of which I am a member, has been making poppies over the last few months and they will be decorating The Fountain from the 6th to 13th November to celebrate their 50th anniversary as a community organisation in Kingsteignton.</p> <p>This is most welcome as there will be no parades or church services this year.</p> <p>The Planning Committee held training this week on the granting of Tree Preservation Orders. <b>081/20</b>	<p><b>REPORTS</b></p> <p><b>County Councillor Ron Peart – read by the Chair</b> Reports and updates from Cllr R Peart have been forwarded to Cllrs over the last few weeks.</p> <p><b>District Councillor Beryl Austen – read by the Chair</b> In addition to all council meetings, visual briefing meetings have been held recently to keep district councillors fully informed of facts with regard to the virus, the budget, planning developments, and environmental issues. Teignbridge offices are closed and all meetings are visual. Teignbridge has also met its target for the year of planting 1500 trees to add to the 24,000 already in its ownership in the district. These will replace those lost through ash die back and increase tree numbers as planned. In view of the difficult times, we are living in Kingsteignton Town Council have decided against an increase in its precept for this year. Although its income will be slightly less than usual the deficit was not too serious and it was decided to take money from reserves to help keep expenses for the community as low as possible. Good wishes for Christmas and I hope it will not be too long before normality returns!</p> <p><b>PC Clarke Orchard – Neighbourhood Beat Manager and PCSO Saul Bunce – read by the Chair</b> Monthly crime report/figures for the month of November 2020. 	<p><b>Other matters</b></p> <p>Please report any suspicious persons/activities and record vehicle registration details if used. Please contact the police on 999 if the incident is happening there and then, or by 101 (emailing is quicker) if it is historic.</p> <p>Please avoid leaving valuable power tools or gardening equipment unattended wherever possible. Record serial numbers of such items and use a UV pen to property mark them with your postcode.</p> <p>Please pay extra attention to home and car security.</p> <p>Consider some sort of shed alarm if your shed is out in the middle of nowhere and register valuable electrical items and power/garden tools on the website <a href="http://www.immobilise.com">www.immobilise.com</a> which also gives advice on other security measures.</p> <p>For outboard engines consider fitting a tracking device, record the engine serial number and property mark and use the Immobilise website.</p> <p><b>PLEASE PAY EXTRA ATTENTION DURING THE FESTIVE SEASON!!!!</b></p> <p>A poaching poster has been forward for display.</p>
082/20	<p><b>PARISH MATTERS</b></p> <p><b>082.1</b> It was noted that Cllr Andrew Holden had resigned from Ideford Parish Council.</p> <p><b>082.2</b> Cllr A Holden's vacancy has been notified to Teignbridge District Council and a notice of a councillor vacancy is displayed on the website. The statutory notice period for electors to request an election ends on 14<sup>th</sup> December 2020.</p> <p><b>082.3</b> There are currently two vacancies for Parish Councillors. Notification had been received from Ms Maureen Crispin, declaring an interest in filling a Cllr vacancy. Ms M Crispin introduced herself and briefly explained why she wanted to become a Parish Councillor. It was agreed by all to co-opt Ms Maureen Crispin on to the Parish Council. Ms M Crispin signed the Declaration of Acceptance of Office and The Chair welcomed Cllr M Crispin to join the rest of the Council members.</p> <p><b>082.4</b> Cllr A Carter-Woodwork spoke about the role of the Parish Councillor and that she had discovered how poorly Cllrs were perceived in this Parish. It was felt that the PC was not communicating enough with the parish and the Clerk suggested producing a monthly update which could be published in the Parish News, on the website and on noticeboards etc. It was also stressed that Cllrs should be easily accessible and approachable; and that the PC needed to reassert what it actually does.</p> <p><b>082.5</b> Inconsiderate parking in Church Road is still a problem: the Police have said they could deliver notices to all households and put stickers on offending car windows.</p> <p><b>082.6</b> The Police had received a complaint about anti-social behaviour (when travellers were collecting water from the Church) and have spoken to those thought to be responsible.</p> <p><b>082.7</b> Concerns over heavy lorries using the road over the Ideford Arch for transporting logs was raised by The Chair - the weight limit on the bridge is 44 tons and DCC Highways confirmed that they would be checking the Arch for any problems. The operation was also causing a lot of mud on the roads, but it was hoped that after talking to the Project Manager this would be resolved. The Chair also mentioned that he had reported six potholes to DCC Highways and Cllr H Bellamy questioned whether the heavy lorries had made them worse.</p> <p><b>082.8</b> There was no update regarding complaints made earlier in the year about bonfires. Cllr A Carter-Woodwork said that this was part of an ongoing enforcement issue.</p> <p><b>082.9</b> Cllr H Bellamy showed pictures of the original boundary stone and the recently discovered stone, which looks different. Clerk to forward pictures to Cllr R Peart and Bishopsteignton Parish Council to show that the stones are not the same.</p>
083/20	<p><b>PUBLIC PARTICIPATION</b></p> <p>The Parish Council was asked to elaborate on item 082.6 – use of water at the Church. Cllr H Bellamy replied by saying that travellers have been using water from the Church for the last 150 years and are entitled to do so: the water supplied to the Church and to the travellers is free of charge (paid for by the Government). A nearby resident reported hearing cars in the middle of the night (possibly travellers coming to collect water from the Church). Cllr H Bellamy urged residents to report any anti-social behaviour.</p> <p>Further to item 082.5, Cllr A Carter-Woodwork said that residents should be encouraged to park in their driveways rather than on the pavement.</p> <p>A resident asked if there were a Wildlife Warden in the Parish, as he was considering applying for the post of TDC Wildlife Warden. Cllr A Carter-Woodwork confirmed that there was not a local warden</p>

	and encouraged the resident to apply.															
084/20	<p><b>PLANNING</b></p> <p><b>084.1</b> To consider planning applications: None</p> <p><b>084.2</b> To note planning decisions:</p> <p>20/01743/NPA – Barn at Lower Colleybrook Farm, Fore Street, Ideford Application for prior approval under Part 3 Class Q (A) and (B) Paragraph W of the GDPO for change of use of an agricultural building into two residential dwellings Refusal of request for prior approval The Parish Council noted that TDC planning had not visited the site or spoken to the applicant, before refusing the planning request.</p> <p>20/01627/HOU – Orchard Lodge, Ideford Retrospective application for single storey ancillary accommodation for householder use Grant of Conditional Planning Permission The Parish Council noted that the accommodation can only be used for domestic use, not to be let out or leased to a third party.</p> <p><b>084.3</b> Planning Enforcement 19/02077/FUL – Higher Colleybrook, Fore Street, Ideford Waiting for an update from Steve Hobbs regarding either a Certificate of Lawfulness or retrospective planning permission for the mobile home. Cllr A Carter-Woodwork said that Steve Hobbs (TDC Planning Enforcement) is compiling a report on the issues we have raised and will be back in touch with us after Christmas.</p>

Item (a)	Discussion and Decisions (b)	
<b>001/21</b>	<b>WELCOME AND APOLOGIES FOR ABSENCE</b>	The Chair opened the meeting at 7.00pm and welcomed all to the first online meeting of Ideford Parish Council. Apologies received from PC Clarke Orchard and PCSO Saul Bunce.
<b>002/21</b>	<b>MINUTES OF THE LAST MEETING</b>	It was proposed by Cllr A Carter-Woodward, seconded by Cllr D Fox, and agreed by all to accept the minutes of the meetings of Wednesday 4 <sup>th</sup> November 2020 and Thursday 10 <sup>th</sup> December 2020 as a true and accurate record.
<b>003/21</b>	<b>DECLARATION OF INTERESTS</b>	Cllr A Carter-Woodward regarding the Millennium Bench during Public Participation.
<b>004/21</b>	<b>REPORTS</b> <b>County Councillor Ron Peart</b> Ware Barton Roundabout – Sight Screens. Cutting back vegetation on the A380. New funding pot from DCC. I have been in touch with Highway Asset Officer regarding Sight Screens and this is their response. These screens are passively safe. The uprights are fixed on a beam on the ground, anything above ground would fold on impact. The alignment of the screens has been selected to obscure visibility with as little screen as possible [this product is not cheap]. That means that they are generally perpendicular to the line of sight that we wish to obscure, not parallel to the road. They have all been installed on straight horizontal alignments. The vertical alignment of the northbound off -slip is stepped because it extends part way up the embankment. Other solutions such as earth bank or willow screens would not have been passively safe. The removal of vegetation along the A380 has been carried out as part of a longer-term approach to the maintenance of this vital route. Due to the high cost of working on the A380 and accompanying disruption to the travelling public, previous maintenance of vegetation has not been as regular as needed, so we have taken the opportunity to carry out more substantial works under the DfT funded Capital project. Our main aim is to improve visibility along the route, particularly approaching the adjoining on – slips, giving drivers a better opportunity to join the A380 safely. Also removing the vegetation to a greater extent on this occasion should make it easier for Devon County Council to maintain it more sympathetically in years to come. The contractor has left tree stumps and low-level vegetation in place in order to comply with the Dormouse Licence, which states that vegetation shall be left to a height of 300mm. An ecologist was present on site to ensure that no harm was done to any vulnerable species. I would also like to mention that all cuttings are being sent for processing as renewable energy. DCC have made available a £100, 000 maintenance fund for outside painting, street furniture maintenance, Town and parish's can apply for some of this funding I will find out how you can apply and let you know.  <b>District Councillor Beryl Austen – read by the Chairman.</b> Teignbridge District Council are going ahead with plans for electric car plug points and views are welcome for suggestions as to suitable sites for this facility. Plans have been submitted to extend a rockfall shelter over the railway line between Dawlish and Holcombe by extending Parsons tunnel. The current proposal is for an open sided rockfall shelter rather than an enclosed structure as previously considered. Teignbridge are working on a new housing strategy to tackle local housing issues. Priorities are to build affordable homes , improve existing homes, prevent homelessness and address rough sleeping.	

Constituents are invited to complete a survey to inform the Council which of these priorities are the most important to them and, indeed, if any others should be addressed.

I have attended visual meetings of the Full Council and a workshop on management of the pandemic affecting us all when councillors noted what had been put in hand so far and considered future plans to effectively manage the Government's directions for our safety and health for the coming months. The Council's budget proposals were approved at Full Council.

The Council also waived the six months attendance rule under which a councillor ceases to serve if absent for six months and a replacement becomes necessary. An extension of three months was agreed in the case of a health issue which would be overcome.

Expecting face to face meetings in May with all necessary safety measures providing no alteration is made by government prior to its implementation.

Visual meetings of the District are well attended though Full Council took five hours with a couple of ten-minute breaks. However, all matters were efficiently addressed, and decisions made.

**Police Report for Ideford Parish Council – February 2021**

Reported crimes from 01/02/2021-28/02/2021

**Ideford (1 crime)**

- X1 Livestock theft (remote field at Olchard)

**Other matters**

Please report any suspicious persons/activities and record vehicle registration details if used. Please contact the police on 999 if the incident is happening there and then, or by 101 (emailing is quicker) if it is historic.

PACT meetings will hopefully resume soon, subject to Government lockdown guidance. The next meeting is scheduled for Wednesday 10<sup>th</sup> March 2021, 1400hrs (*cancelled*).

Again, this month we are looking to 'target' local **poaching issues/rural wildlife crime** in and around the area. If you see anything suspicious, please report as soon as possible. Any information would be greatly appreciated to assist with our plans moving forward.

On the 11<sup>th</sup> February 2021 Teignmouth Police conducted an operation to disrupt poaching in the local area. 16 officers in plain and marked vehicles were patrolling the area with the help of local landowners, all of whom have been recent victims of poaching/livestock theft on their land. Officers included, the force Rural Wildlife Crime Officer PC Martin Beck, Neighbourhood Inspector Andrew Tomlinson, PS Jon Ross, PC Clarke Orchard Rural Neighbourhood Beat Manager of whom was the OIC for the operation and PCSO Saul BUNCE. Members from Teignmouth and Chudleigh Neighbourhood teams linked up along with support from the Special Constabulary. Several local game keepers were also present, who with the permission of the landowners were deployed around the area covering Ashcombe Rural, Dawlish Haldon Ridge and Kenton to try to spot potential offenders/poachers.

On this occasion no arrests were made but considerable disruption was caused to any potential poaching in the area of which demonstrated an excellent example of the Police and the rural community working together.

**Community Speed Watch** is currently on hold due to the current lockdown. This will naturally resume when restrictions ease.

005/21	<p><b>PARISH MATTERS</b></p> <p><b>005.1</b> It was proposed by Cllr A Carter-Woodwork, seconded by Cllr M Crispin, and agreed by the majority to adopt the Ideford Parish Council Virtual Meeting Policy.</p> <p><b>005.2</b> It was proposed by Cllr A Carter-Woodwork, seconded by Cllr P Jervis, and agreed by all to remove the grass from around the village oak tree, add mulch, feed, and keep an eye on the condition of the tree and the associated fungus. It was suggested that a sapling be planted to the left-hand side of the tree, which could be used as a replacement, if necessary.</p> <p>We had one parishioners' response to our consultation and their views mirrored the parish council's.</p> <p><b>005.3</b> The date for the Annual Parish Meeting will be Thursday 8<sup>th</sup> April 2021. This meeting will need to be held online. The Annual Parish Meeting will start at 6pm and be followed by the usual Full Council Meeting.
